Fax: 615-672-9427

Dear Mrs. Weathers:

Water line construction for _____ has been completed
(development, phase, section)
and is now ready for pressure testing. I would like to request that White House Utility District schedule a time to begin testing all water mains and services. I understand a successful pressure test must be completed prior to moving forward with the development process.

If you have any questions, I can be reached at _____.
