Contact Person: _____

Phone Number: _____ Fax Number: _____ Email: _____

Notes:

1. The Fire Flow Test shall be conducted by a qualified person with the appropriate training on how to conduct a fire flow test.
2. The Fire Flow Test shall be conducted on the fire hydrants nearest the project site unless otherwise approved by WHUD.
3. Both the WHUD personnel and the Developer's Representative at the test shall sign and date the Fire Hydrant Fire Flow Test Report.
4. The Fire Flow Test shall have been conducted no more than twelve (12) months prior to the start of construction for said project.
5. WHUD will provide a written response to the Fire Hydrant Fire Flow Request. This written response will be the only flow information WHUD will acknowledge as available at the test site.

A \$100 check made payable to White House Utility District must accompany this request. This fee covers one test only. If additional tests are requested/needed, additional fees will be required prior to scheduling the tests. The flow test will be scheduled within 10 business days of receiving the request, and a written response will be available within 10 business days of completing the test(s). Please keep this in mind when trying to meet your project timelines.
