Fax: 615-672-9427

Dear Mrs. Weathers:

The construction of the Reduced Pressure Backflow Preventer for

_____ has been completed and is now
(project name)
ready for testing. I would like to request that White House Utility District set up a time to begin testing our RPBP. I understand a successful pressure test must be completed prior to water service becoming available.

If you have any questions, I can be reached at _____.
