

SUBMITTAL OF SEWER UTILITY CONSTRUCTION COST

(Date)

White House Utility District
Attn: Lisa Weathers
P.O. Box 608
White House, TN 37188
Fax: 615-672-9427

Mrs. Weathers:

The public sewer main construction cost for _____
(Development, Phase, Section)
has been completed. The construction cost is outlined in the below chart.

Diameter of Gravity Main	Diameter of Force Main	Pipe Material	Linear Footage of Sewer Main	Construction Cost of Sewer Main

The construction cost for each individually sized sewer main includes all costs associated with the said sewer main's appurtenances (service lines, valves, manhole structures, etc.).

Project Pump Station Name	Construction Cost of Pump Station

The construction cost for each individual pump station includes all costs associated with the said pump station's appurtenances (piping, valves, pumps, pump house, etc.).

Taking into account all of the above information, the total construction cost for all public sewer mains and/or pump station(s) constructed with this project is _____.
