

2021

WATER QUALITY REPORT

White House Utility District's **2021 Water Quality Report** is now available.

We are please to share that we have again met or exceeded all state and federal water quality regulations. Visit whud.org/waterqualityreport to read the report and learn more about:

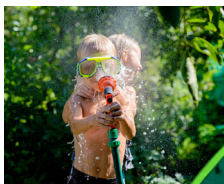

The source of our public water supply

How we treat, produce and deliver more than 10 million gallons of water every day

WHUD's sampling process and water quality data from 2021

Simplify Your Day with WHUD's new digital pay.

White House Utility District is always looking for ways to better serve our customers. That's why we've added some convenient, easy-to-use digital payment options.

- 1 Pay using debit, credit, or ACH/eCheck
- 2 Link your preferred digital wallet using PayPal, Venmo, or Amazon Pay
- 3 Use your voice with an Alexa-enabled device to pay and receive bill reminders with your Amazon account
- 4 Set up & manage automatic payments
- 5 View your statement online anytime & from anywhere
